1.0 INTRODUCTION

This Pay Policy provides a framework for making decisions on teachers' pay. It has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions (STPC) (Wales) Document 2021 ("the Document") and has been consulted on and agreed with the recognised trade unions.

The Governing Body of Cwm Primary School will act with integrity, confidentiality, objectivity and honesty in the best interests of the school; will be open about decisions made and actions taken and will be prepared to explain decisions and actions to interested persons. Its procedures for determining pay will be consistent with the principles of public life: objectivity, openness and accountability. The Policy will support recruitment and retention and reward headteachers and teachers appropriately; and ensure accountability, transparency, objectivity and equality of opportunity. To ensure staff have access to the information contained within this policy, it will be published on the shared drive.

1.1 UNATTACHED TEACHERS

The Council will act with integrity, confidentiality, objectivity and honesty in the best interests of the service; will be open about decisions made and actions taken and will be prepared to explain decisions and actions to interested persons. Its procedures for determining pay will be consistent with the principles of public life: objectivity, openness and accountability. The Policy will support recruitment and retention and reward teachers appropriately; and ensure accountability, transparency, objectivity and equality of opportunity.

Where reference is made to the Governing Body throughout this document, this should be substituted by the Council in the case of all teachers who are employed centrally. Decisions on pay progression for centrally employed teachers will be made in line with the terms of the STPC (Wales) Document 2021. The outcome of the appraisal process will only be relevant for pay progression decisions in relation to awarding an additional point where it is determined that the individual's performance in the previous school year was excellent. Where the award of an additional point is to be considered, decisions will be made by the Service Manager on receipt of recommendations from the teacher's appraiser. Any appeals against pay progression decisions will be heard by the Chief Education Officer/Nominated Senior Officer.

1.2 EQUALITIES LEGISLATION

The Governing Body will comply with relevant equalities legislation:

Employment Relations Act 1999

Equality Act 2010

Employment Rights Act 1996

The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000

The Fixed-term Employees (Prevention of Less Favourable Treatment) Regulations 2002

The Agency Workers Regulations 2010

The Governing Body will promote equality in all aspects of school life, particularly as regards all decisions on advertising of posts, appointing, promoting and paying staff, training and staff development.

1.3 EQUALITIES AND PERFORMANCE RELATED PAY

The Governing Body will ensure that its processes are open, transparent and fair. All decisions will be objectively justified. To ensure this, assessments of performance will be properly rooted in evidence. Fairness will be assured by annual monitoring of the application of the Pay Policy and pay decisions.

Following the amendments to Teachers pay detailed in the STPC (Wales) Document 2020 and STPC (Wales) Document 2021 in respect of teachers paid on the upper pay scale, pay progression for those on the leadership pay range, main pay scale, upper pay scale, unqualified teacher pay scale and leading practitioner pay range is no longer directly linked to the outcome of the performance management review, with the exception of a circumstance where it is recommended that the headteacher or teacher receives an additional point where it is determined that their performance in the previous school year was excellent, with regard to the agreed objectives. Progression on to the Upper Pay Scale continues to be subject to the outcome of the performance management process, in line with the procedures detailed in section 5 of this policy. Adjustments will be made to take account of special circumstances e.g. an absence on maternity or long-term sick leave. The exact adjustments will be made on a case-by-case basis, depending on the individual teacher's circumstances and the school's circumstances, but may include providing the individual with the opportunity to provide evidence from the previous 3 years.

1.4 JOB DESCRIPTIONS

The Governing Body will ensure that each member of staff is provided with a job description in accordance with their agreed staffing structure. Job descriptions will identify key areas of responsibility. Other than through a staffing restructure, where a job description is reviewed it can only be changed by agreement.

1.5 ACCESS TO RECORDS

The headteacher will ensure access for individual members of staff to their own employment records.

1.6 APPRAISAL

The responsibility for the appraisal of teachers is devolved to the Welsh Government. With effect from 30 September 2018, the responsibility for teachers' pay and conditions and decisions concerning pay for teachers in Wales is also devolved to the Welsh Government. The STPC (Wales) Document 2021 sets out the relevant provisions in relation to pay.

The Governing Body will comply with School Teacher Appraisal (Wales) Regulations 2011 concerning the appraisal of headteachers and teachers through the application of the schools Performance Management Policy, however, in line with the amendments published in the

STPC (Wales) Document 2020, and, for teachers on the upper pay scale the STPC (Wales) Document 2021, the outcome of the appraisal process will only be relevant for decisions in relation to progression on to the upper pay scale and decisions in relation to awarding an additional point where it is determined that the individual's performance in the previous school year was excellent.

1.7 DIFFERENTIALS

The Governing Body will keep under review the differential in the pay structure taking full account of the provisions of the STPC (Wales) Document and ensure that they are maintained between posts within the school, recognising accountability and job weight, and the Governing Body's need to recruit, retain and motivate sufficient employees of the required quality at all levels.

1.8 DISCRETIONARY PAY AWARDS

Criteria for the use of pay discretions are set out in this Policy and the School Teachers Pay and Conditions (Wales) Document 2021. Discretionary awards of additional pay will only be made in accordance with these criteria.

1.9 SAFEGUARDING

Where a pay determination leads or may lead to the start of a period of safeguarding, the Governing Body will comply with the relevant provisions of the Document and will give the required notification as soon as possible and no later than one month after the determination.

2.0 PROCEDURES

The Governing Body will determine the annual pay budget on the recommendation of the Pay Committee, taking into account paragraph 19.2 of the Document.

The Governing Body has delegated its pay powers to the Pay Committee. Any person who has a pecuniary interest in the pay review of an employee of the school must withdraw from a meeting at which the pay or appraisal (where applicable) of that employee is under consideration. The headteacher must withdraw from that part of the meeting where the subject of consideration is their own pay. A relevant person must withdraw where there is a conflict of interest or any doubt about their ability to act impartially.

No member of the Governing Body who is employed to work in the school shall be eligible for membership of this Committee.

The Pay Committee will be attended by the headteacher in an advisory capacity. Where the Pay Committee has invited either a representative of the Local Authority to attend and offer advice on the determination of the headteacher's pay, that person will withdraw when the Committee starts to consider its decision. Any member of the Committee required to withdraw will do so.

The terms of reference for the Pay Committee will be determined from time to time by the Governing Body. The current terms of reference are:

- to achieve the aims of the whole school Pay Policy in a fair and equal manner;
- to review the school's Pay Policy on an annual basis in consultation with the relevant trade unions, ensuring that pay decisions can be objectively justified.
- to ensure that appropriate arrangements for linking appraisal to pay are in place for the purpose of teachers progressing on to the upper pay scale and for the purpose of awarding an additional progression point where it is determined that an individual's performance in the previous school year was excellent; that these arrangements can be applied consistently and that pay decisions can be objectively justified.
- to apply the criteria set by the whole school Pay Policy in determining the pay of each member of staff at the annual review;
- to observe all statutory and contractual obligations;
- to minute clearly the reasons for all decisions and report the fact of these decisions to the next meeting of the full Governing Body;
- to advise the Governing Body regarding the likely annual budget needed for pay, bearing in mind the need to ensure the availability of monies to support any exercise of pay progression;
- to keep abreast of relevant developments and to advise the Governing Body when the school's Pay Policy needs to be revised;
- to work with the headteacher in ensuring that the Governing Body complies with the Appraisal Regulations 2011 (teachers)¹;
- to monitor the outcomes of pay decisions ensuring the school's continued compliance with equalities legislation and provide an annual report on the operation of the Pay Policy, recording pay decisions taken and the equality impact. This report will be made available to staff and their trade union representatives.

The report of the Pay Committee will be placed in the confidential section of the Governing Body's agenda and will either be received or referred back.

2.1 ANNUAL DETERMINATION OF PAY

All teaching staff salaries, including those of the headteacher, deputy headteacher(s) and assistant headteacher(s) will be reviewed annually to take effect from 1 September. A one point pay progression will be applied automatically with effect from 1 September for those eligible for progression unless the local authority are informed in writing that this should not progress. The Governing Body will complete annual pay reviews in the summer term for the purpose of confirming the automatic pay progression, with a further pay review to consider applications for progression on to the upper pay scale; and recommendations for an additional point progression due to excellent service, by 31 October (31 December in the case of a Headteacher) to allow for the required performance management processes to be completed. Where recommendations relating to pay progression have been made as a result of the performance management process, these will be presented to the Pay Committee by the Headteacher (Headteacher Appraisal Committee in the case of a recommendation relating to the Headteacher's pay progression).

The Pay Committee will complete the review without undue delay, and all teachers, including the headteacher, will be given a written statement setting out their salary and other financial benefits to which they are entitled.

The Governing Body will apply any change to pay scales and allowances, including TLR and ALN allowances, as a result of any pay award.

2.2 NOTIFICATION OF PAY DETERMINATION

Decisions will be communicated to each member of staff by the Pay Committee in writing in accordance with paragraph 3.4 of the Document and will set out the reasons why decisions have been taken. Where an appeal against the determination in relation to pay progression is received, an instruction to amend pay from the relevant date will be issued immediately after the appeal has been concluded.

2.3 APPEALS PROCEDURE

The Governing Body has an appeals procedure in relation to pay in accordance with the provisions of paragraph 2.1(b) of the Document. It is set out in Appendix 1 of this Pay Policy.

3.0 LEADERSHIP PAY

The reference points for the Leadership pay range can be found in Appendix 4. The Governing Body will seek appropriate advice from the Local Authority or another independent expert source when setting/reviewing leadership pay ranges.

PAY ON APPOINTMENT

The Governing Body has established the following pay ranges for the headteacher, deputy headteacher[s] and assistant headteacher[s]

Headteacher pay range: [Insert the school's 7 point range for headteacher]

Deputy Headteacher pay range: [Insert the school's 5 point range for deputy headteachers]

3.1 HEADTEACHERS PAY

For appointments on or after 1 September 2014, the Governing Body will determine a seven point pay range to be advertised and agree pay on appointment, taking account of the full role of the headteacher (Part 7 paragraphs 45.1 to 45.18 of the Document) and in accordance with Part 2 paragraph 9 of the Document and paragraphs 9 to 25 of the section 3 guidance:

- the Governing Body may review the school's headteacher group and the headteacher's pay range in accordance with paragraphs 5, 6, 8 and 9 (ordinary school), or paragraphs 5, 7, 8 and 9 (special school) of the Document;
- the Governing Body may determine the headteacher's pay range, as at 1 September or at any time they consider there have been significant changes to the responsibilities of the post (paragraph 9 of section 3 guidance).

- if the Governing Body makes a determination to change the headteacher's pay range it will determine the headteacher's pay range, in accordance with paragraph 9 of the Document; and paragraph 9 of the section 3 guidance.
- in accordance with paragraph 9.3 of the Document, the headteacher's pay range should not normally exceed the maximum of the headteacher group. However, the Governing Body may determine there are circumstances specific to the role or the candidate that warrant setting a higher than normal pay range. In considering whether this would be appropriate the Governing Body will take in to account the following criteria:
 - ✓ The context and challenge arising from pupils needs which affects the challenge in relation to improving outcomes e.g. high levels of deprivation in the community indicated through free school meal entitlement and/or English as an Additional Language indicators, high numbers of looked after children or children with special needs, high levels of pupil mobility.
 - ✓ A high degree of complexity and challenge which goes significantly beyond that expected of any headteacher of similar-sized school(s) and is not already reflected in the total unit score e.g. managing a school over several dispersed sites.
 - ✓ Factors that may impede the school's ability to attract a field of appropriately qualified and experienced candidates.
- if the headteacher takes on permanent accountability for one or more additional schools, the Governing Body will take account of the provisions of paragraphs 6.6 and 9 of the Document; and paragraphs 11 and 12 of section 3 guidance, in setting the headteacher group and pay range.
- the Governing Body may consider exercising its discretion in order to secure the appointment of its preferred candidate. In circumstances where a candidate is appointed above the bottom point of the relevant pay range, in accordance with paragraph 9.2 of the Document, the Governing Body will ensure there is appropriate scope within the pay range to allow for progress over time.
- the Pay Committee may consider the need to award any further temporary discretionary payments to a headteacher for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined in line with paragraph 10.1 to 10.4 of the Document and paragraphs 16 to 23 of the section 3 guidance. In each case the relevant body must not have previously taken such reason or circumstance into account when determining the headteacher's pay range.
- the Pay Committee may consider using its discretion, in wholly exceptional circumstances, to exceed the 25% limit on discretionary payments, as set out in paragraph 10.4 of the Document and paragraphs 13 to 15 of section 3 guidance. However, before agreeing to do so, it will seek the agreement of the Governing Body which in turn will seek external independent advice before providing such agreement.

3.2 PAY PROGRESSION FOR SERVING HEADTEACHERS

The Governing Body will determine the salary of a serving headteacher, who has completed a year of employment² since the previous pay determination, in accordance with paragraph 11 of the Document.

- The Pay Committee will review the headteacher's pay in accordance with paragraph 11.2 of the Document i.e. pay progression will be on an annual basis from 1 September, with an assumption in favour of progression unless the Headteacher has been notified in writing that capability procedures are underway in respect of that year. Where requested, the Pay Committee will give consideration to restoring the progression at the conclusion of the capability procedure. However, pay progression will not be applied retrospectively.
- In accordance with paragraph 11.2 (c) of the Document, the Pay Committee may award an additional point to the headteacher where it is determined that their performance in the previous school year was excellent, with particular regard to agreed objectives, following a recommendation by the Headteacher Appraisal Committee under the Appraisal Regulations 2011. The Pay Committee must ensure that the process of determining the award of an additional point is fair and transparent and that a proper record is made of the reasoning behind the determination.
- The Pay Committee may consider the use of other temporary discretionary payments, as per the provisions of paragraph 10 of the Document, that have not been previously taken into account when determining the headteacher's pay range.
- The Pay Committee may consider using its discretion, in wholly exceptional circumstances, to exceed the 25% limit on discretionary payments, as set out in paragraph 10.4 of the Document. However, before agreeing to do so, it will seek the agreement of the Governing Body which in turn will seek external independent advice and support its decision with a business case before providing such agreement.

3.3 DEPUTY/ASSISTANT HEADTEACHERS

The Governing Body will pay teachers as deputy or assistant headteachers only where the Governing Body is satisfied that, in the context of the teacher's duties, the role includes a significant responsibility that is not required of all classroom teachers or TLR holders.

There will normally be a deputy headteacher in each school. The Governing Body must be satisfied that this significant responsibility features a job weight which exceeds that expected of any assistant headteacher employed in the same school, including responsibility for discharging in full the responsibilities of the head in the absence of the headteacher.

3.4 PAY ON APPOINTMENT

The Governing Body will, when a new appointment needs to be made, determine a five point pay range to be advertised and agree pay on appointment as follows:

- The Pay Committee will determine a pay range in accordance with paragraph 9 of the Document, taking account of the role of the deputy/assistant headteacher set out in paragraph 47 to 49 of the Document.

² -A person has completed a year of employment if the person has completed periods of employment amounting to at least twenty-six weeks in aggregate within the previous school year, as defined under Annex 2, point 7 of the School Teachers Pay and Conditions (Wales) Document 2021.

- The Pay Committee may consider exercising its discretion in order to secure the appointment of its preferred candidate. In circumstances where a candidate is appointed above the bottom point of the relevant pay range, in accordance with paragraph 9.2 and 9.4 of the Document, the Governing Body will ensure there is appropriate scope within the pay range to allow for progress over time.
- The Pay Committee will determine the deputy or assistant headteacher's pay range at any time they consider there have been significant changes to the responsibilities of the post (paragraph 10 of section 3 guidance).
- The Pay Committee will record its reasons for the determination of the deputy / assistant headteacher pay range, in accordance with paragraph 10 of the section 3 guidance.

3.5 PAY PROGRESSION FOR SERVING DEPUTY/ ASSISTANT HEADTEACHERS

The Governing Body will determine the salary of a serving deputy / assistant headteacher, who has completed a year of employment³ since the previous pay determination, in accordance with paragraph 11 of the Document.

- the Pay Committee will review the deputy headteacher(s) and/or assistant headteacher(s) pay in accordance with paragraph 11.2 of the Document i.e. pay progression will be on an annual basis from 1 September, with an assumption in favour of progression unless the deputy headteacher / assistant headteacher has been notified in writing that capability procedures are underway in respect of that year. Where requested, the Pay Committee will give consideration to restoring the progression at the conclusion of the capability procedure. However, pay progression will not be applied retrospectively.
- In accordance with paragraph 11.2 (c) of the Document, the Pay Committee may award an additional point to the deputy headteacher / assistant headteacher where it is determined that their performance in the previous school year was excellent, with particular regard to agreed objectives, following a recommendation by the appraiser under the Appraisal Regulations 2011. The Pay Committee must ensure that the process of determining the award of an additional point is fair and transparent and that a proper record is made of the reasoning behind the determination.
- the Pay Committee may determine the deputy headteacher / assistant headteacher pay range at any time in accordance with paragraph 10 of the section 3 guidance pursuant with the discretionary provisions of that paragraph and to maintain differentials.

3.6 ACTING ALLOWANCES

Acting allowances are payable to teachers who are assigned and carry out the duties of headteacher, deputy headteacher or assistant headteacher in accordance with paragraph 23 of the Document. The Pay Committee will, within a four-week period of the commencement of acting duties, determine whether or not the acting postholder will be paid an allowance. In the event of a planned and prolonged absence, an acting allowance will be agreed in advance and paid from the first day of absence.

Any teacher, who carries out the duties of headteacher, deputy headteacher, or assistant headteacher, for a period of four weeks or more, will be paid at an appropriate point of the

headteacher's pay range, deputy headteacher range or assistant headteacher range, as determined by the Pay Committee. Payment will be backdated to the commencement of the duties.

4.0 CLASSROOM TEACHERS

The reference points for classroom teachers' pay scales, both main pay scale and upper pay scale, can be found in Appendix 4.

4.1 PAY ON APPOINTMENT

The Governing Body will not restrict the pay range advertised, or starting salary and pay progression prospects available, for classroom teacher posts, other than the minimum of the main pay scale and the maximum of the upper pay scale.

When determining the starting pay for a classroom teacher taking up their first appointment as a qualified classroom teacher, the Governing Body will pay the teacher on the main pay scale, and will allocate pay scale points, as a minimum, on the following basis:

- one point for each one year of service as a qualified teacher in a maintained school, Academy, City Technology College or independent school;
- one point for each one year of service as a qualified teacher in higher education or further education including sixth form colleges, or in countries outside England and Wales in a school in the maintained sector of the country concerned;

The Governing Body will also consider allocating one point for each three years of non-teaching experience spent working in a relevant area, including industrial or commercial training, time spent working in an occupation relevant to the teacher's work at the school, and experience with children/young people.

The Governing Body will, if necessary, use its discretion to award a recruitment incentive benefit to secure the candidate of its choice.

The Governing Body is committed to the principle of pay portability and will apply this principle, in accordance with the principles outlined in paragraph 12.3 of the Document, when making all new appointments where the teacher has previously been paid under the terms of the Document or the School Teachers Pay and Conditions Document published by the Department for Education (England)

This means that when determining the starting pay for a classroom teacher who has previously worked in a Local Authority maintained school in England or Wales, or and academy in England, the Governing Body will pay the teacher on the main pay scale or upper pay scale at a scale point which at least maintains the teacher's previous pay entitlement where the teacher has previously been paid under the terms of the Document, plus any increment the teacher would have received had they remained in their previous teaching post.

The Governing Body will also pay classroom teachers who are "post-threshold teachers" as defined by the 2012 STPCD on the upper pay scale.

4.2 ASSIMILATION ON TO 2021 PAY SCALES

The Governing Body will ensure that classroom teachers on the main pay scale are assimilated on to the appropriate 2021 pay scales in accordance with paragraph 19.2 (a) to 19.2 (d) of the Document.

Classroom teachers on scale points M1 or M2 of the 2020 pay scale will be assimilated on scale point M2 of the 2021 scale.

Classroom teachers on scale point M3, M4, M5 or M6 of the 2020 pay scale should be assimilated to the corresponding point on the 2021 scale.

Following assimilation, classroom teachers who have completed a year of employment⁴ since the previous annual pay determination will also receive pay progression of one point in accordance with section 4.3 of this policy and paragraph 19.2 of the Document, where eligible.

4.3 PAY PROGRESSION FOR EXISTING MAIN PAY SCALE TEACHERS

The Governing Body will award classroom teachers on the main pay scale (paragraph 13.2 of the Document) pay progression of one point following the completion of a year of employment since the previous annual pay determination⁵, in accordance with paragraph 19.2 of the Document.

- the Pay Committee will review a main scale teacher's pay in accordance with paragraph 19.2 of the Document i.e. pay progression will be on an annual basis from 1 September, with an assumption in favour of progression unless the teacher has been notified in writing that capability procedures are underway in respect of that year. Where requested, the Pay Committee will give consideration to restoring the progression at the conclusion of the capability procedure. However, pay progression will not be applied retrospectively.
- In accordance with paragraph 19.2 (h) of the Document, the Pay Committee may award an additional point to any main scale teacher whose performance in the previous school year was excellent, with particular regard to classroom teaching, following a recommendation by the appraiser under the Appraisal Regulations 2011. The Pay Committee must ensure that the process of determining the award of an additional point is fair and transparent and that a proper record is made of the reasoning behind the determination.

5.0 UPPER PAY SCALE

5.1 APPLICATIONS TO BE PAID ON THE UPPER PAY SCALE

The School Teachers Pay and Conditions (Wales) Document allows for any main pay scale teacher to apply for upper pay scale progression, however it is expected that the teachers at

⁴ A person has completed a year of employment if the person has completed periods of employment amounting to at least twenty-six weeks in aggregate within the previous school year, as defined under Annex 2, point 7 of the School Teachers Pay and Conditions (Wales) Document 2021.

⁵ A person has completed a year of employment if the person has completed periods of employment amounting to at least twenty-six weeks in aggregate within the previous school year, as defined under Annex 2, point 7 of the School Teachers Pay and Conditions (Wales) Document 2021.

the upper end of the main pay scale will be those with sufficient evidence to support an application.

If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay scale in that school(s). This school will not be bound by any pay decision made by another school.

All applications should include the results of the two most recent appraisals, under the Appraisal Regulations 2011. Where such information is not applicable or available a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

In order for the assessment to be robust and transparent, it will be an evidence-based process only. Those teachers who are not subject to the Appraisal Regulations 2011, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3 year period before the date of application in support of their application. The Governing Body will ensure that its processes are open, transparent and fair and all decisions will be objectively justified.

5.2 PROCESS

One application may be submitted annually. The closing date for applications is normally 7th September each year; however, exceptions will be made in particular circumstances e.g. those teachers who are on maternity leave or who are currently on sick leave. The process for applications is:

- The teacher informs the appraiser in writing by the first meeting in the appraisal cycle that they wish to be considered for progression to UPS in the next two years so that their personal objectives for the forthcoming appraisal cycles may reflect this.
- Complete the school's application form, see Appendix 3
- Submit the application form to the headteacher by the cut-off date 7th September
- The headteacher will assess all applications to ensure consistency
- The headteacher will make a recommendation to the Pay Committee
- The Pay Committee will make the final decision, advised by the headteacher;
- Teachers will receive verbal feedback of the decision and reasons as soon as possible with written notification of the outcome of their application by 14th September
- Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this Policy (see 'Assessment' below) and the right to make representations and appeal the decision.
- Oral feedback will be provided by the headteacher within 10 school days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria.
- Successful applicants will move to the minimum of the upper pay scale on 1 September in the academic year relevant to the application, backdated as necessary
- Unsuccessful applicants can appeal the decision. The appeals process is set out in Appendix 1 of this Pay Policy.

5.3 ASSESSMENT

For teachers applying to progress to the upper pay scale from 1st September onwards one application can be submitted per year. An application will be successful where the Governing Body is satisfied, through the appraisal statement and pay recommendation, that:

- (a) the teacher is highly competent in all elements of the relevant standards; and
- (b) the teacher's achievements and contribution to an educational setting or settings are substantial and sustained.

The criteria for establishing if the teacher has met the above is outlined in Appendix 2. The Governing Body will be satisfied that the teacher has met these expectations for progression to the upper pay scale where the criteria set out at Appendix 2 have been satisfied as evidenced by two consecutive performance management reviews.

5.4 PAY PROGRESSION FOR EXISTING UPPER PAY SCALE TEACHERS

In accordance with paragraph 19.2 (g) of the Document, the governing body will award pay progression to classroom teachers on the upper pay scale on a two-yearly basis, in most cases, with an assumption in favour of progression unless the teacher has been notified in writing that capability procedures are underway in respect of that period..

The Pay Committee may award progression on the upper pay scale after one year to a teacher whose performance in the previous year was excellent, with particular regard to agreed objectives, following recommendations by an appraiser under the Appraisal Regulations 2011.

6.0 UNQUALIFIED TEACHERS

The reference points for unqualified teachers' pay scale can be found in Appendix 4.

6.1 PAY ON APPOINTMENT

The Pay Committee will pay any unqualified teacher in accordance with paragraph 17 of the Document. The Pay Committee will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience the teacher may have, which they consider to be of value. The Pay Committee will consider whether it wishes to pay an additional allowance, in accordance with paragraph 22 of the Document.

6.2 PAY PROGRESSION FOR EXISTING UNQUALIFIED TEACHERS

The Governing Body will award teachers on the unqualified teacher pay scale (paragraph 17 of the Document) pay progression of one point following the completion of a year of employment during the previous school year⁶ with an assumption in favour of progression unless the teacher has been notified that capability procedures are underway in respect of that year (paragraph 19.2 (f) of the Document). Where requested, the Pay Committee will

⁶ A person has completed a year of employment if the person has completed periods of employment amounting to at least twenty-six weeks in aggregate within the previous school year, as defined under Annex 2, point 7 of the School Teachers Pay and Conditions (Wales) Document 2021.

give consideration to restoring the withheld progression at the conclusion of the capability procedure. However, pay progression will not be applied retrospectively.

6.3 AN UNQUALIFIED TEACHER WHO BECOMES QUALIFIED

Upon obtaining qualified teacher status (QTS), the Governing Body will transfer a classroom teacher on the unqualified teacher pay scale to a salary within the main pay scale for teachers (paragraph 13 of the Document and Appendix 4 of this Policy) in line with the requirements of paragraph 18 of the Document. The teacher will be paid at a point on the main pay scale which is the equivalent to, or higher than, the sum of the salary received on the unqualified teacher pay scale plus any additional allowance paid under paragraph 22 of the Document.

7.0 LEADING PRACTITIONER POSTS

Such posts may be established for teachers whose primary purpose is the modelling and leading improvement of teaching skills, where those duties fall outside the criteria for the teaching and learning responsibility payment structure. Any additional posts that are created will be subject to consultation with the school staff and trade union representatives.

When determining the pay scales for such posts, the Governing Body will set a 5 point scale within the range outlined in paragraph 16.3 of the Document and Appendix 4 of this policy. The Governing Body will do this by reference to the weight of the responsibilities of the post and will bear in mind the need to ensure pay equality where posts are equally onerous and will ensure fair pay relativities between posts of differing levels of responsibility.

The Governing Body has decided not to appoint Teachers to leading practitioner posts. The Governing Body will review this position on an annual basis.

8.0 TEACHING AND LEARNING RESPONSIBILITY (TLR) PAYMENTS

TLR1 AND 2

The Pay Committee may award a TLR to a classroom teacher in accordance with paragraph 20 of the Document and paragraphs 48 to 55 of the section 3 guidance. TLR 1 or 2 will be for clearly defined and sustained additional responsibility in the context of the schools staffing structure for the purpose of ensuring the continued delivery of high-quality teaching and learning. All job descriptions will be regularly reviewed and will make clear, if applicable, the responsibilities for which a TLR is awarded. Posts of equal weight will be allocated TLR's of equal value.

The minimum and maximum range for a TLR1 and TLR 2 can be found in Appendix 4.

In the school the following levels and values will apply:

TLR 1:

There are no TLR1 posts

TLR 2:

There are 2 TLR 2 posts. These are equivalent to £2924

The school will apply the agreed annual percentage pay award, as detailed in The Document, to all TLR values set above.

The criteria for the award of TLR 1 and 2 payments can be found in Appendix 4.

Teachers will not be required to undertake permanent additional responsibilities that meet the criteria outlined within Appendix 4 without payment of an appropriate permanent TLR1 or TLR2 payment.

TLR 3

The Pay Committee may award a TLR3 in accordance with paragraph 20.3 of the Document. The minimum and maximum range for a TLR3 can be found in Appendix 4 of this policy.

Before making any TLR3 payment, the Governing Body must be satisfied that the responsibilities meet a, b and d of the criteria outlined in Appendix 4; that they are being awarded for clearly time limited school improvement projects or externally driven responsibilities; and that the responsibilities are not a permanent or structural requirement which should instead be rewarded by means of a permanent TLR payment.

Where the Governing Body wishes to make TLR3 payments, the proposed responsibilities, level of payment and the duration of payment will be set out clearly and subject to consultation with staff and trade unions.

The Governing Body will advertise the position internally setting out in writing the duration of the fixed term, and the amount of the award will be paid in monthly instalments.

Although a teacher cannot hold a TLR1 and a TLR2 concurrently, a teacher in receipt of either a TLR1 or TLR2 may also hold a concurrent TLR3.

No safeguarding will apply in relation to an award of a TLR3.

The pro rata pay principle does not apply to part-time teachers in receipt of TLR3 payments.

9.0 ADDITIONAL LEARNING NEEDS (ALN) ALLOWANCE

The Pay Committee will award an ALN allowance to any classroom teacher who meets the criteria as set out in paragraph 21 of the Document. The minimum and maximum range for an ALN allowance can be found in Appendix 4 of this policy.

When deciding on the amount of the allowance to be paid, the Governing Body will take into account the structure of the school's ALN provision, whether any mandatory qualifications are required for the post, the qualifications or expertise of the teacher relevant to the post; and the relative demands of the post (paragraph 21.3 of the Document). The Governing Body will also establish differential values in relation to ALN roles in the school in order to reflect significant differences in the nature and challenge of the work entailed so that the different payment levels can be objectively justified. The Governing Body will take account of paragraphs 56 to 60 of the section 3 guidance.

10.0 SUPPORT STAFF

The Pay Committee notes its powers to determine the pay of support staff in accordance with paragraph 15 [or 27] of the Staffing of Maintained Schools (Wales) Regulations 2006. The Pay Committee will determine the pay grade of support staff on appointment in accordance with the scale of grades, currently applicable in relation to employment with the Local Authority, which the Pay Committee consider appropriate for the post. In reaching its determination, the Pay Committee will consider the advice of the Local Authority, and outcome of the Local Authority job evaluation process.

11.0 PART-TIME EMPLOYEES

Teachers: The Governing Body will apply the provisions of the Document in relation to part-time teachers' pay and working time, in accordance with paragraph 39 and 40, and paragraphs 40-45 and 79-86 of the section 3 Guidance.

All staff: The Governing Body will ensure that all part-time employees are treated no less favourably than a full-time comparator in accordance with their legal obligations.

12.0 TEACHERS EMPLOYED ON A SHORT NOTICE BASIS

Such teachers will be paid in accordance with paragraph 41 of the Document. The Governing Body is committed to the principle of pay portability and will apply this principle in practice when engaging a supply teacher employed by the Local Authority who has previously been paid under the terms of the Document.

The Governing Body recognises that supply teachers employed by the Local Authority or the school are entitled to annual pay determination and consideration for pay progression in the same way as other teachers, following the completion of a year of employment since the previous annual pay determination⁷. The Governing Body will ensure that, where they are informed by a supply teacher that they have worked most frequently within this school, decisions on pay progression will be undertaken by the Pay Committee. This provision does not apply to supply teachers employed by agencies as they are not covered by the provisions of the Document.

Where it is necessary for the school to use an agency to engage a teacher, the Governing Body enters into a voluntary supply agency pledge whereby the school will only procure from agencies identified on the NPS Framework Approved Supply Agencies and commits to a minimum daily rate of M2 ÷ 195 days. The exception will be that when agencies on the NPS framework are unable to supply a suitably skilled teacher, the school will be able to approach alternative agencies but with commitment to pay as a minimum, the M2 pay rate. **Please note – schools are encouraged to adopt this position and maintain this wording in the adopted Pay Policy in line with the recommendations agreed by all Education Cabinet Members and all 22 Leaders in January 2021. Should the Governing Body determine not to adopt this position please remove this paragraph.**

13.0 RESIDENTIAL DUTIES (remove if not applicable)

⁷ A person has completed a year of employment if the person has completed periods of employment amounting to at least twenty-six weeks in aggregate within the previous school year, as defined under Annex 2, point 7 of the School Teachers Pay and Conditions (Wales) Document 2021.

The Pay Committee will take account of agreements reached in the National Joint Council for Teachers in Residential Establishments in determining payments for residential duties paragraph 25 of the Document.

14.0 ADDITIONAL PAYMENTS

In accordance with paragraph 26 of the Document and paragraphs 61-69 of the section 3 Guidance, the Governing Body may make payments in accordance with the criteria set out in the Policy to a teacher, other than a headteacher in respect of:

- continuing professional development undertaken outside the school day;
- activities relating to the provision of initial teacher training as part of the ordinary conduct of the school;
- participation in out-of-school hours learning activity agreed between the teacher and the headteacher;
- additional responsibilities and activities due to, or in respect of, the provisions of services relating to the raising of educational standards to one or more additional schools.

The Governing Body recognises that such activities are entirely voluntary and that some teachers' commitments will make it difficult for them to undertake such activities. Where teachers cannot attend CPD organised outside the school day, the school will endeavour to offer suitable alternative training arrangements within directed time in line with its commitment to equal opportunities.

The Pay Committee will make additional payments to teachers in accordance with the provisions of paragraph 26 of the Document where advised by the headteacher.

Payment will be calculated at a daily or hourly rate with reference to each teacher's actual pay spine position or, where appropriate and following consideration by the Pay Committee, at a higher level reflecting the responsibility and size of commitment.

The Governing Body will not pay any honoraria to any member of the teaching staff for carrying out their professional duties as a teacher, recognising that there is no provision within the Document for the payment of bonuses or honoraria in any circumstances.

15.0 RECRUITMENT AND RETENTION INCENTIVE BENEFITS

The Governing Body can award lump sum payments, periodic payments, or provide other financial assistance, support or benefits for a recruitment or retention incentive (paragraph 27 of the Document and paragraphs 70 -72 of the section 3 Guidance).

The Pay Committee will consider exercising its powers under paragraph 27 of the Document where they consider it is appropriate to do so in order to recruit or retain relevant staff. It will make clear at the outset, in writing, the expected duration of any such incentive or benefit, and the review date after which they may be withdrawn.

The Governing Body will, nevertheless, conduct an annual formal review of all such awards.

From 1 September 2014, in accordance with paragraph 27.3 of the Document, headteachers, deputy headteachers and assistant headteachers may not be awarded recruitment and retention incentives or benefits other than as reimbursement of reasonably incurred housing or relocation costs. All other recruitment and retention considerations in relation to

headteacher, deputy headteacher and assistant headteachers must be taken into account when determining the pay range for the post.

Where the Governing Body currently pays a recruitment or retention incentive of benefit to a serving headteacher, deputy headteacher or assistant headteacher, awarded under a Document previous to the STPCD 2014, the Governing Body may continue to make this payment at its existing value until such time as the respective pay range is determined.

16.0 SALARY SACRIFICE ARRANGEMENTS

Where the employer operates a salary sacrifice arrangement, a teacher may participate in any arrangement and his gross salary shall be reduced accordingly, in accordance with the provisions of paragraph 28 of the Document.

PAY HEARINGS AND APPEAL PROCEDURE

STAGE ONE- THE PAY HEARING

On determining a teacher's pay, the Pay Committee will write to the teacher advising them of the pay decision, the reasons for it and will, at the same time, confirm their right to make representations to the Pay Committee regarding the decision and their right to be represented by a trade union representative or a work colleague.

If the teacher wishes to make representations regarding the decision, they must do so in writing to the Pay Committee, within 10 school days. The letter must include a statement, in sufficient detail, of the grounds of their representations. In the event that a teacher confirms that they wish to make representations the Pay Committee must then arrange to meet the teacher to hear the representations within 20 school days. The headteacher and, where applicable, the appraiser (if different from the headteacher) should also be invited to the meeting, as witnesses, to clarify the basis for the original recommendation.

All parties will have the opportunity to ask questions following the presentations / representations.

The Pay Committee will reconsider the decision in private and write to the teacher to notify them of the outcome of the review and of the teacher's right of appeal to the Governing Body's Pay Review Appeals Committee and their right to be represented by a trade union representative or a work colleague.

If the teacher wishes to exercise their right of appeal, they must write to the Clerk of the Governing Body at the earliest opportunity and normally within 10 school days, including a statement of the grounds of the appeal and sufficient details of the facts on which they will rely.

This will invoke the second stage of the Pay Hearings and Appeal Process.

STAGE TWO- THE PAY APPEAL MEETING

On receipt of the written appeal, the Clerk to the Governing Body will convene a meeting of the Pay Appeal Committee within 20 school days of the date on which the appeal was received. The Pay Appeal Committee should consist of three governors, none of whom are employees in the school or have been previously involved in the relevant pay determination process. Both the headteacher and, where applicable, the appraiser may be required to attend the meeting as witnesses.

The Chair of the Pay Committee will be invited to take the Pay Appeal Committee through the procedures that were observed in arriving at their decision. Both the headteacher and the appraiser may be required to attend the meeting as witnesses. The Chair of the Pay Appeal Committee will invite the employee and/or their representative to set out their case.

All parties will have the opportunity to ask questions following the presentations / representations.

Following the conclusion of presentations by all relevant parties, the Pay Appeal Committee will then consider all the evidence in private and reach a decision. The Pay Appeal Committee

will write to the teacher notifying them of their decision and the reasons for it. Other attendees at the meeting will also be notified of the decision. The decision of the Pay Appeal Committee is final.
